Accommodation

8 Dhoni Water Villas (75sq m/ 807sq ft) Our split-level Dhoni Water Villas stand out for their unusual design: shaped like a traditional Maldivian 'dhoni' fishing boat, they make you feel like you're floating on the ocean. The generous living room is a calming space to relax, while the overwater private terrace has a staircase that leads to the lagoon's warm waters.

9 Dhoni Loft Water Villas (110sq m/ 1,184sq ft) Shaped like a traditional 'dhoni' fishing boat, our Dhoni Loft Water Villas have an expansive lower level living area and a master bedroom on the mezzanine, making them great for families. The design is about bringing the outside space in, with floor-to-ceiling windows overlooking the water, and a private terrace touching the ocean.

10 Loft Water Villas (123sq m/ 1,324sq ft) In these villas, the horizon feels like it extends forever as you look out from your private sundeck or watch the ocean roll past the floor-to-ceiling windows. The elevated loft features a king-sized en suite master bedroom, while the lower deck's large and airy sitting area doubles up as a sleeping space for families. There is also a secluded outdoor rain shower with steps directly into the ocean.

Accommodation

4 One-Bedroom Water Villas with Pool (125sq m/ 1,345sq ft) These light-filled villas sit on their own secluded jetty, each with a private entrance deck, surrounded by the aquamarine ocean. Outside, there's a new private pool and a balcony with a daybed, where you can relax as the sun rises and sets on the ocean. Inside, the spacious living area with floor-to-ceiling windows provides plenty of space to unwind.

1 Cocoa Water Villa with Pool (290sq m/ 3,122sq ft) This new overwater villa features a large terrace with a 10-metre private swimming pool, offering some of the island's best views of the iconic Maldivian sunset. The villa was designed with space in mind: there's a living room, an en suite master bedroom, a private study and a gym. The villa can be connected to the COMO Sunset Water Villa via an overwater wooden walkway, or closed off for complete privacy.

2 COMO Water Villas (300sq m/ 3,229 sq ft) Situated on either side of the island, COMO Cocoa Island's two COMO Water Villas – Sunset and Sunrise – are arranged with two separate wings, both featuring an en suite bedroom and a private terrace directly above the ocean. The wings are connected by the living and dining areas, with balconies on either side that let you step directly off the deck into the turquoise lagoon. There's also a secluded deck, with a new private pool that almost touches the edge of the ocean.
