

South Male' Atoll, Republic of Maldives.

**Island & Location:**

Lush green natural foliage and hundreds of shady coconut palms fringed by white sandy beaches cover an area of around 80,000 sqm of land where just enough has been done to make your holiday comfortable without disturbing the beauty and natural enchantment of the island. Fihalhohi is the last island of South Male' and is located on South Western rim of the atoll approximately 28 Km away from the Male' International Airport. Transfer time to the resort by speedboat would take a comfortable forty five minutes.

Fihalhohi presents a carefully protected turquoise blue lagoon bordered by a coral reef easily accessed by swimming where scuba diving or snorkeling could be experienced.
