Surf is where the bounty of the ocean meets the bounty of the land. Your chef for the evening prepares the catch of the day from local fishermen, or the world's finest steaks, then serves them still sizzling from the grill.

Pizza Kaage

Trattoria-style comfort awaits by the pool, with homemade pasta available throughout the day, and the chef's special, pizza hot from the oven, prepared with the help of our young guests then served to proud parents.

Thari Bar

Thari Bar offers relaxing by the water, whether on a sun lounger by the pool, in a cozy cabana, or at a table in the pool shallows. Here, delightful afternoon teas flow into evening cocktails and light bites.

Iru Bar

As the sun sets each day, our guests are invited to gather on the westernmost tip of the island at our pop-up bar for the most stunning of views. These are accompanied by signature cocktails.
