At Loama Resort Maldives at Maamigili, personalized dining experiences are limited only by the imagination. Let us bring your gastronomic vision to life.

Loama Museum & Art Gallery

We are honoured to be the first resort outside Malé to be awarded an official license to operate a cultural museum.

The Loama Museum, located in the Reception area, features historical artefacts, sculptures and paintings that offer a glimpse into the region's rich cultural heritage while Loama Art Gallery is located at the arrival jetty.

Loama Spa

A haven within a haven, Loama Spa is located amidst the lush vegetation of Maamigili, extending out to the sea via the spa jetty. The spa spans 496sqm with 4 Beach Spa Villas and 4 Over Water Spa Villas facing southwest to capture stunning sunsets, making you feel you have been transported into an oasis of relaxation and tranquility.

Loama Spa offers a variety of therapeutic, pampering, holistic and signature treatments to suit individual needs and preferences including the ultimate beauty treatment for the million dollar look, a Luxury Gold Treat: Ran.

The Loama Spa private label range of products are made from natural plant essence and extracts, and its signature scents are a pleasure to all senses. The therapeutic touch from our therapist restores balance to the body and soul.

Loama Kids Club

Dhondhooni - Loama Kids Club provides experiential cultural learning and activities, a kids' pool and babysitting services in a safe, fun environment.
