

Soneva Fushi

Baa Atoll • Maldives

Three Bedroom Crusoe Suite

LOCATION

Soneva Fushi, the first “Robinson Crusoe” style hideaway in the Maldives, is set on the privately owned tropical island of Kunfunadhoo in Baa Atoll. The resort can be reached by a scenic 30-minute sea plane flight direct from Male International airport or for guests scheduled on evening flights by domestic carrier flights via nearby Dharavandhoo airport.

CONCEPT

The island is 1,400 metres long and 400 metres wide, one of the largest islands in the Maldives. Apart from the crystal clear waters, white beaches and tropical climate, the island’s unusually rich vegetation offers a unique natural experience. Villas are scattered along the beach and tucked into the lush greenery, providing the ultimate privacy. Fringed by white sand beaches that shelve gently into the azure blue sea, the iconic Soneva Fushi looks like a Robinson Crusoe idyll, however the finest creature comforts are always at hand. Its remoteness is central to its charm, offering the ultimate in barefoot sophistication for which the oft borrowed expression “**No News No Shoes**” was coined. Welcome to a world where the natural reality of the destination unites with understated yet sophisticated luxurious experiences and style. This is **Intelligent Luxury**. Soneva Fushi’s down to earth feel is reflected in its guest’s casual dress code and its naturally-designed architecture.

MANAGEMENT

Soneva Fushi is the flagship resort of The Soneva Group, a world leading sustainable luxury resort operator. Further Soneva resorts are planned in the Maldives, Indonesia, The Balearics and Greece. Soneva in Aqua, a new yacht experience, will be launched in the Maldives in 2013. The Soneva Group came into being following the decision by Sonu Shivasani, the founder of Six Senses Resorts & Spas, to sell the Six Senses and Evason branded resorts in February 2012.

FOOD AND BEVERAGE

Soneva Fushi dining experiences are as diverse as they are memorable. From gourmet menus across a variety of cultures and cuisines, to organic offerings, simple barbecues or elaborate romantic escapades. We start with what we can grow and fish for sustainably on our own fertile isle, incorporate the talents of inventive chefs from East and West and compliment with our extraordinary wine cellar.

Mihiree Mitha

Mihiree Mitha means “here it is”, and almost any dish you crave is here at our main restaurant, the culinary heart of the island. The day begins here and you will find a seemingly endless spread of fresh fruits, comforting classics, live cooking stations, creative juices and a collection of Asian dishes including Maldivian specialties. Return at lunch to feast on the equally bountiful buffet of organic garden salads, freshly caught and grilled-to-order fish, sushi or bespoke pizzas straight from the wood-burning oven.
